End of the Term (rapidly approaches)

Another great year of learning at St Kew gradually comes to an end - the children have 'worked their socks off' as they say and have some great progress to be rightly proud of.

Class 1 have finished the term by finding the answer to their topic question: 'Can party food be healthy?' - all agree 100% it can: sandwiches, carrot and bread sticks with hummus, fruit kebabs, cheese and pineapple and a chocolate krispie on Wednesday afternoon with the Learning Together children proved that it can be too!

Class 2 have been busy delving into their insides! They have written songs, made models and found out about the digestive system: starting with their teeth and finishing at the other end. Ask them to retell you the story of The Emperor's New Clothes as they undertook a change of direction in their topic work after being inspired by our Minack theatre visit.

Class 3 really finished in style with their sleep over on Thursday night (well, we should say morning really) into Friday. During their topic they have worked out the amounts required of all food types and the costings of providing tea, breakfast and lunch the following day. Having gone to bed at 12ish and woken up at 6.30am, they devoured pancakes and waffles with chocolate spread, jam or golden syrup all washed down with apple juice, squash or water.

Can we take this opportunity to say a huge THANK YOU to all of you who support us in all school matters - the partnership between home and school is what really makes our jobs the best ones ever!

If you haven't already returned the following forms please ensure they are handed in to the office on Monday 24th July as the school records will be updated during August. Many thanks.

School Meals Price Rise

Caterlink have just informed us that the price of a school meal will rise to £2.25 per meal from

September which equates to £11.25 for a full week. Please remember that school meals need to be paid for before being taken. They can be paid on an ad-hoc basis, weekly, half-termly or termly. If your child has paid for a meal and is absent for any reason the credit will be carried forward. Meals can be paid for with cash or a cheque made payable to St Kew ACE Academy. Please note: this does not affect the 'universal free school meals' available to Reception, Year 1 & Year 2 children.

Reading Rewards

With the theme 'Favourite Books' on Wednesday, the next tea party went down a treat - still being described as epic! Children enjoyed biscuits, cakes and tea (decaffeinated of course!) or squash. Well done to everyone and keep reading the rest of you as there is one last one to get invited to this year, on Monday! Questions for reading with your child this week are:

Who would you like to meet in the story and why?

What might this character be thinking?

What questions would you ask ...?

June Magic Numbers

This month's numbers were drawn by Redley & Alfie in Year 6.

£50 Gareth Burnard. £25 Mary Boyne.

From now on, pupils will draw the two monthly Magic Numbers winners. Does anyone have an old bingo cage and balls that the children could use to draw the winning numbers please?

July and August Magic Numbers will be drawn in September.

Please make all PTA cheques payable to St Kew PTA.

Wednesday 6th September (1st day of school) 09.00

Tea & Tears: Meet & greet new parents with refreshments in the school hall.

Can anyone help with this please? We need Parents, Grandparents, Aunts and Uncles to stay after school has started just for a short time to chat to 'new' parents and maybe answer questions they may have about school. If you can, please let Shen know. You don't have to make or buy anything.

Helping Hands AGM followed by PTA meeting, open to everyone.
