

Willow Bank Infant School

Headteacher: Mrs Michelle Masters

29th November 2018

Dear Parents,

I am writing to you today with the very sad news that Mrs Gill Adams passed away in hospital last night after falling ill at the Junior School yesterday.

Mrs Adams worked in the Junior School for many years, but had also been a member of the Infant School staff.

Mr Foster has had an assembly to tell the Junior School children this morning and there are a team of Educational Psychologists supporting the children in their understanding of this tragic news.

I am sure that you will join with me in giving our deepest sympathies to Mrs Adams family and friends, and in extending an offer of support for the staff and children impacted by the loss of a valued colleague and friend.

Yours sincerely,

Michelle Masters
