

Wraxall's School News

We are now officially half way through the term and I can't quite believe how quickly it is going!

This term's value is 'Perseverance' and the children have certainly reflected on this and put so much effort into their work. It seems that the whole school has been taking a creative approach to writing. Y3/4 have made some super pebble sculptures as a stimulus for their writing and are following this up with some detailed and descriptive work. Year 1/2 have been exploring a brilliant book about dragons. They are going to do some detailed story writing linked to this and have been creating their own dragon illustrations to inspire them. Reception have been filling the school with joyous cheers as they celebrate their successes in the fire and police outdoor role play area! Finally, Y5/6 are continuing to learn about space and what brilliant timing they have had for their moon observations with the amazing moon sightings this week!

Thank you to all those parent/carers who have been emailing and phoning in this week about collection arrangements for their children. Keep up the good work as all the staff in the office really appreciate this and it makes the end of the day procedures far calmer for the children.

Have a restful weekend,

Amy Townsend

Dates for your Diary

January

Tuesday 29th : Year 3 and 4 Swimming

No maths club for Year 5 and 6 with Mr Khanna

Wednesday 30th : Year 1 and 2 Treat Day

February

Sunday 3rd : Welcome Service at All Saints Church for Miss Townsend.

- 10.00

GUIDE DOGS

On Tuesday morning Brian and Jane from The Guide dogs visited our school with Unity the 8-month German shepherd puppy. They joined the whole school for collective worship and talked about a colouring competition we are going to do in school, as a way to raise money towards sponsoring a Guide dog puppy during its training.

For a voluntary contribution of £1 the children can enter the competition and colouring sheets will be send home with them today.

There will be 3 categories.

* Reception and Year 1.

* Years 2 and 3.

* Years 4, 5 and 6.

Any entries need to be back in school by Monday February 11th, when they will be judged and prizes awarded during that week.

PEBBLE CREATURES

Here are some of the amazing pebble creatures that Y3/4 have been busy creating ready for their writing...

...writing to follow next week!
