

Dear Parent/Carer

*Message from Miss Furnish*

The children have stunned us all this week with how quickly they have settled, especially given the many changes put in place due to COVID. It has been wonderful to be able to visit the bubbles (looking in through the corridor glass of course) and see all the children focused and happy to be back. I would like to thank each of you for your continued support over the last twelve months. I know it has been hard for everyone but seeing you all return yesterday was absolutely heartwarming.

I wish you all a lovely weekend and look forward to seeing the children Monday.

### eSchools and Communication

*From Monday we will be reopening eSchools for every child/parent/carer in school. We know that due to parents having to wait outside it makes communicating with the class teacher tricky, so we hope that having the messaging facility on eSchools will bridge the communication gap. We do however ask that you only message teachers for things that cannot be answered by the main office. For example, questions about lunches etc. would go to the main office and questions about teaching and learning would go to the class teacher via eSchools. Please be aware that the teachers, during the day, are of course teaching so their responses will not be immediate and they will only be checking eSchools once a day.*

### Keeping Safe

I have noticed over the last two days that some parents and carers are

arriving early and find themselves waiting for doors to open. Please can we all do our best to arrive at the specified time rather than all standing together early and catching up with each other. We are all required to social distance on the school site.

Please can we also remember that, if possible, only one parent per family to drop off please otherwise, given that we have 480 children this could result in

(Reception - Year 6) you can drop off and pick up without having to wait a long time in between. If you drop one at 8.40am (this class would have the 8.30-8.40am drop off time) and the other at 8.45am (this class would have the 8.45-8.55am time) you would only be waiting 5 minutes rather than dropping at 8.30am and then having to wait 15 minutes. I am afraid that we cannot change drop off times as this measure has been put in place to help us all socially distance.

Thank you.

### Breakfast Club & Homework Club

As you know at the moment both homework and breakfast clubs are not running.

Crofty are reviewing this in

all the Crofty schools. On

Monday a link to our survey to find out which parents need this provision will come to you. If you

require either or both of these clubs please complete the survey. Once we know demand, we will be able to think about how we can safely provide the clubs. Spaces will be given on a needs basis rather than a want basis due to limited spaces and
