Dear club members/parents and carers,

Cedars Academy staff will be completing the Coast to Coast Cycle Challenge in October 2016 in order to raise funds for Gateshead Kestrels and support the extensive calendar of activities we offer our students on an annual basis. These include the ski trip to Italy, Duke of Edinburgh Awards, regional and national sporting competitions and Kingswood and Keswick residential.

The route we will take will be the classic Coast to Coast route, starting in Whitehaven and finishing in Sunderland. We plan to complete the challenge over 3 days.

We would very much appreciate it if you would be willing to sponsor us and also use the sponsorship form overleaf to help collect sponsorship from friends, family members and work colleagues on our behalf.

Thanking you in advance for your support.

Kind Regards,
Cedars PE Department
