

June newsletter

St Meriadoc Junior Academy

I cannot believe how quickly this year is zipping by!
We have lots going on this term; don't forget to read the key dates on the back of this sheet.

After school clubs

ALL after school clubs finish the week ending Friday 6th July. No clubs will take place from Monday 9th July, except the after school provision that is paid for.

Parking

When parking outside the school grounds, at the start and end of the day, please be mindful of where you park your car. Recently, we have had several reports of cars parked up on the pavement and aggressive behaviour towards our lollipop lady, Sue. Our pupils should be able to arrive and leave safely, using clear walkways. We have pupils and families who have prams, wheelchairs and pupils who may need extra space in order to travel safely. Please DO NOT park on the pavements.

When using our one way system at school drop off time, please also be aware of pupils and families crossing on our crossings. If you wish to watch your child to class or have several items to get out of your boot, please use our car park for this. Please ensure you are always concentrating on the road as you drive through the school grounds.

CONTACT DETAILS

Please do ensure we have your most current contact details in school, so we can contact you as quickly as possible if necessary.

Summer fair/ fundraising

On Friday 13th July we will hold our summer fair, 2 - 4.30pm.

All welcome.

On Friday 29th June we will hold a non-uniform day; to take part in this your child will need to bring in a donation of chocolate, for our chocolate tombola stall.

Sun cream

The forecast is looking promising for the next few days (at least) so please ensure your child has sun cream applied before they come to school and, if possible, they bring a bottle to school to reapply later. You may wish to label their sun cream, so it isn't lost or confused with someone else's. Hats are also recommended for lunch time.

Dates for your diary

These are some dates we already have in the diary. New dates that arise will be communicated by website, letter or text. Also don't forget to look at our facebook page which is updated regularly.

Date	Event
