

Sports Premium Funding 2014-2015

We are in the second year of the Sports Premium funding. This funding has been delegated to schools to improve PE and sport. It is ring-fenced and equates to £8,000 per school + £5 per child. For our school, this means a sum of approximately £9000 - £10,000 per year.

Following discussions with staff and the Governing Body we have spent our allocation on the following areas

- Increase the skills and knowledge of staff through CPD.
- Ensure our resources are effective in supporting a skills based curriculum.
- Increase the participation levels of all children within the academy.
- Ensure there is sustainable impact from the expenditure beyond the next two years.
- Continue leasing the School Mini bus to make transport easier to events.

2014 – 2015 investments

Staff CPD

- HLTA - FUNdamentals course to allow reflection on the development of skills across KS2.
- All teachers have access to CYBER-SPORTs which is an on-line dance syllabus. Subscribed for one year.
- Year 3 teacher attended the Table Tennis Skills Course
- Year 2 teacher KS1 skills based course
- Year 4 teacher attended the disability in tennis course
- Year 1 teacher attended the tennis course.
- 2 x Year 1, 2 x Year 2 and 2 x Year 3 teachers have observed and joined in six week sessions of high quality football
- 1 x Year 4 teacher and 1 x Year 5 teacher observed and joined in six week sessions of high quality tennis.
- Subject leader and Year 6 teacher attended YST pilot scheme.

Quality resources

- Mr Jake Couch employed to lead PE and games lessons across the school. These are fundamental skill based activities which will give Key Stage 1 children the opportunity to develop their skills. He leads and assists after school clubs, inter-school events and attends intra-school sport competitions
- Flat-bed mat trolley to extend the life of our gymnastic mats and to make them more easily accessible by the children.
- Quality PE kit for all staff taking PE sessions.
- Multi-skills equipment for KS1, especially Foundation Stage.
- Ongoing replenishment of equipment.
- High quality coaching from FA football coaches.
- High quality coaching from dance coach
- High quality coaching from tag rugby coach
- High quality coaching from Gymnastics coach
- High quality coaching from LTA tennis coaches.
- Quality storage units to maintain the high quality resources.
- Sensory room for SEND pupils
- School Mini bus

Increase participation levels of all pupils

- Interest in extra-curricular clubs has increased in both Key Stages due to the increase and variety of sporting activities. Each term the school will review the activities to ensure maximum participation by the children.
- Membership of the Newquay School Sports Network to give access to inter-school festivals, competitions and the Cornwall School Games.
- Participation in festivals and Most Able opportunities through the Newquay Schools Sports Network is considered carefully to ensure that as many children as possible access the opportunities on offer.

- Links have been made with local clubs/schools to create further extra-curricular provision in football, rugby, tennis and cricket.

Ensure sustainable impact

- Up-skilling of staff – ensures that children continue to receive quality teaching beyond the two years of funding.

The subject leader is also considering to invest in the following for the coming year:

- Teachers who have attended courses or observed high quality lessons to lead INSET / Staff meetings based on what they have learnt. This will ensure subject knowledge is shared with colleagues.
- Bikeability – children in Year 6 will leave with a basic understanding of road safety when cycling. This year we are investing in extra sessions to ensure all children that wish to have the opportunity to access the cycling training.
- Inter-school competitions – all children in the school will represent their house in a competition against other houses in their class. In the Spring term this will be netball and football for both boys and girls in KS2. In the summer term Athletics and Football for KS1. Introducing parents to CYBER-SPORTS. This will give parents to opportunity to 'keep fit' either on their own or with their child.

What affect has the funding had so far?

- We frequently participate in local competition and have achieved considerable success in inter-school competition. This has included Yr 5/6 Football, Yr 3/4 Football, & Rowing.
- Pupil enthusiasm is high
- Pupil involvement is high

75% of KS2 pupils take part in after school clubs

60% of KS1 pupils take part in after school clubs

40% of KS2 pupils took part in inter school competitions

45% of KS1 children are now swimming confidently

91% of Y6 pupils can swim 25 metres plus

- Staff confidence in teaching PE has increased as a result of working alongside experienced coaches. This has included gymnastics coaching for Year 1 and Year 2 pupils & Football coaching for Year 5 and 6 pupils.
- Staff knowledge and understanding of teaching sport has increased and attitudes are very positive
- Table tennis has been continued into the PE timetable for KS2 classes
- Bikeability was organised for **% of our Y6 pupils. All can now ride confidently and have an understanding of basic road safety when cycling
- 100% of pupils took part in a School Sports Day – these were organised for FS, Y1 and Y2, Y3 and Y4 and Y5 and Y6 – very positive responses from parents.
- Lunch time activities led by Y5 squaddies and the Lead lunchtime supervisor provided support for all pupils
- 100% of KS1 pupils took part in a daily “Wake and Shake” programme
- Our Outdoor Education Programme from FS to Y6 was very successful

80% of FS pupils took part in a 1 night sleepover in the school hall

60% of Y1 pupils took part in a 2 night residential visit

65% of Y2 pupils took part in a 2 night residential visit

72% of Y3 pupils took part in a 2 night residential visit

80% of Y4 pupils took part in a 2 night residential visit

86% of Y5 pupils took part in a 1 night residential visit

78% of Y6 pupils took part in a 4 night residential visit

So far we have seen great teaching of fundamental skills in Key Stage 1. The majority of children have rapidly progressed with these skills. Development of their agility, balance and coordination is evidence of this.

Members of staff are appropriately dressed and easily recognisable in their new attire. This has been mentioned on many inter-school events by other schools.

High quality Physical Education lessons are being taught by Mr. Couch in Key Stage 1 and Lower Key Stage 2. Evidence of this has been observed by members of the Senior Management Team who have been impressed with the deliverance of his lessons.

Some teaching staff have attended CPD sporting courses and returned to school enthused and prepared to deliver a unit of work in that area of sport. This has happened in both Key Stage 1 and 2.

High quality teaching of Tennis and Football has been provided from Newquay Heron Centre and Tesco FA. Both of these sports were led by qualified coaches, but importantly, the class teachers were part of the lessons. They thoroughly enjoyed the 6 week unit of work and feel competent to teach it themselves. A Year 3 child has been recognised by the FA and has been asked to attend the Plymouth Argyle Football Academy.

The contribution towards a mini bus has allowed us to attend more inter school events which has raised the number of children participating in sporting events.

So far, we believe that the approach to sport in St. Columb Major Academy is positive with both staff and children. We are becoming more successful in a range of inter school events.

Review of Sports Premium Grant Sept 2014-July 2015

The governors at St Columb Major Academy are committed to four key aims when considering how to use this funding to enhance and improve the quality of curricular and extra-curricular PE for all of our pupils:

- Ensure we have quality resources that support a broad and balanced curriculum.
- Increase the skills and knowledge of staff through CPD.
- Increase the participation levels of all children within the academy.
- Ensure there is sustainable impact from the expenditure beyond the two years.

To meet these aims we have invested the following expenditure in 2014 – 2015:

Expenditure Focus	2014-2015	Total
1. Quality resources to support	Athletic equipment	£125.10
	Balls for different sports	£349.70
	Stop watches	£17.96
	Tag Rugby belts	£34.18
	Staff PE kit	£228.03
	Forest Schools equipment	£540
2. Professional development of staff-Coaches for tag rugby:	Gymnastics, Dance & Football	£2555
	Forest School Training	£1800
3. Increased participation levels of all Children	Swimming	£3033
	Mini bus lease	£4200
4. Sustainable impact beyond the funding years		
We aim to continue to widen and broaden curriculum and extra curricular opportunities over the next 2 years. Part of this provision will include involving families in sport and healthy lifestyles.		
	Total	£12,911.41

Plans for 2015 – 2016

- Increase the skills and knowledge of staff through CPD by Forest Schools, First aid training, dance
- Ensure our resources are effective in supporting a skills based curriculum by KS1 playground
- Increase the participation levels of all children within the academy by surfing rowing intra house dance orienteering scuba diving
- Ensure there is sustainable impact from the expenditure beyond the next two years by
- Continue leasing the School Mini bus to make transport easier to events.
