

CREATIVE WRITING WORKSHOPS FOR CHILDREN

Mondays during Autumn term 2018 starting 10th September, 3.30pm to 5pm *

Do you have lots of stories in your head and want to write one yourself? Are you a little unsure on how to write a story in school or home? Why not join our fun-filled Creative Writing Workshops with author Charlie Lea and learn how to write amazing stories.....

You could be the next JK Rowling or David Walliams...

Our young authors write stories based on lots of different themes throughout the year. Attending the workshops can help improve English in school as well as boosting confidence and wellbeing.

In Autumn term we will be looking at writing stories which can be submitted to Radio Two's 500 Words competition.

Here are some quotes about our workshops.

"Loved it"

"Really enjoyed it"

"Best after school club she has ever been to"
