

## Projected Pupil Premium Spend 2018-2019

### BACKGROUND INFORMATION

- Pupil premium funding was introduced by the Government in April 2011
- "The pupil premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers."
- "The pupil premium is paid to schools as they are best placed to assess what additional provision their pupils need."
- "Ofsted inspections report on how schools' use of the funding affects the attainment of their disadvantaged pupils. We also hold schools to account through performance tables, which include data on:
  - the attainment of the pupils who attract the funding
  - the progress made by these pupils
  - the gap in attainment between disadvantaged pupils and their peers"

### PUPIL PREMIUM AT NORTH CERNEY PRIMARY ACADEMY

#### Our School Vision

To enthuse, encourage and enable our pupils to seek challenges, explore beyond boundaries, communicate confidently and cooperatively, show initiative, self-discipline, respect and open mindedness, all within the framework of Christian Values.

## FUNDING ALLOCATION

At North Cerney C of E Primary Academy we strive to ensure that all children have the opportunity to achieve their full potential. We want to prepare them for modern Britain and equip them with the knowledge, skills and understanding for the world after primary school. The effective use of Pupil Premium funding supports us to be able to achieve these aims.

Projected 2018-2019 funding to be allocated to:

- Targeted intervention groups. TA support is provided for identified children in identified areas by providing focused teaching for small groups of children throughout the school. We work towards ensuring that all children make good progress in English and Maths. Our focus is to enable the children to reach at least national expectations for their year group. We monitor their progress across the terms to ensure that impact is being made.
- Targeted teacher intervention.
- Targeted support from external agencies for pupils whose needs might include the support of counselling services.
- Curriculum enrichment  
We believe that every child should be able to take advantage of our extra curricula activities and the visits and trips that we organise. The impact of these children's learning is significant and these play a vital role in enthusing and motivating children's learning. Pupil Premium funding can be used to ensure all pupils are able to take part in enrichment activities. Additionally, we plan to provide children with free access to after school sports clubs.
- Learning programmes and curriculum resources to enhance the learning of our Pupil Premium children. Some of the programmes projected to be funded are accelerated reader, the mighty writer, star maths, nesy reading and jungle memory.
- Sen Specialist services within the Pupil Premium cohort.
- Free School milk for all Pupil Premium children.

## PUPIL PREMIUM FUNDING ALLOCATION

Activity	Proportion of the budget	Total Grant to be received £23760
TA support across the school	65.53%	£15569
Intervention Teacher	12.67%	£3011
