GUITAR/PIANO LESSONS

Some of you have expressed an interest in the school offering guitar and piano lessons. We are currently looking into options available to us with a social enterprise that is supported by the Prince's Trust and from September we hope to be able to offer this provision.

As we are a small rural school, please note that this provision will only be viable if we have a good take up from pupils. With this in mind, please keep an eye out for a letter in September.

OFSTED SURVEY ON PARENT VIEW

Parents and carers can give their views of our school at any time during the school year and at the time of a school inspection using an online questionnaire called Parent View.

When our school is notified of its next Ofsted inspection, parents will be invited to give their views about the school to inspectors using the Parent View online facility, as this has replaced Ofsted's paper questionnaire. Please make sure we have your most up-to-date contact details.

Please register with an email address and a password at <https://parentview.ofsted.gov.uk>

Once your login has been activated, it only takes a few minutes to answer 12 short questions about aspects such as bullying, the quality of teaching, the level of homework set, etc.

Your views are important in helping inspectors make a decision about our school, and to help us know what is going well and what could be improved.
