

Curriculum Information for Spring 2 2019
Green Class

Dear Parents,

This term, we will be learning:

- Maths: Multiplication and division; fractions; length and height
- Literacy: Letter writing; instruction writing; poetry
- Geography: An island home (Katie Morag and the Isle of Skruay)
- Science: How can we survive on a desert island?
- RE: Why is Easter important to Christians?

Homework

Children will be given a different homework activity each night of the week.

Monday – Mathletics (online activities to be completed at home)

Tuesday – phoneme fan and grammar activity (Y2)

Wednesday – Maths passport practise

Thursday – tricky words (practise reading AND spelling)

Friday – Topic homework (see suggested activities below)

In addition, reading books will be sent home every day. Please listen to your children read and discuss the events of the book as well as their opinions on it.

Thank you,

Mr Jones

Independent Topic Homework Ideas

Science (Weeks 1 - 4)

- Create a windproof, waterproof shelter in your back garden. Take photographs to show the class
- Make a lifejacket for your favourite toy that will allow it to float

Geography (Weeks 1 - 4)

- Create and label a map of your own fictional island
- Identify the different countries you've visited on a map of the world

RE (Weeks 5 and 6)

- Visit your local church and take photos of the decorations they have put up for Easter
- Investigate the history of Easter Eggs and make a presentation to the class

These activities are just suggestions. If you have any have any other tasks that are related to our learning, feel free to complete these instead. Topic homework will be shared and celebrated in class on Mondays.
