

WEEKLY ROUNDUP: 4TH – 8TH MAY 2020

Thank you to all those parents who have responded to our request for feedback on home learning provision. Feedback has been extremely positive with much gratitude for the teachers' work and support via email and telephone. Inevitably, there are some parents who would like more work and some who would like less, but feedback indicates we have got the balance right. I am sure you will join me in thanking the teachers for their hard work, skill and determination to provide the best for all our children. Some of the challenges around accessing resources and children missing their friends are more difficult to resolve but we continue to seek creative solutions within the guidance. Thank you for your continued support and please get in touch if you have any concerns.

FRIENDSHIPS

At the request of one of the children, we are going to put together a compilation of messages from the children to each other. If you would like your child to be included then please video a short message following the guidelines below:

- Film with your phone landscape
- Throw in a school sweatshirt from your left (the child's right)
- Get them to hold up the sweatshirt
- Say a message
- Then throw it to their left/your right.

Once completed then please email all videos to senco@northcerney.gloucs.sch.uk we would like to share these on our school Padlet and Facebook page. An example of what to do is on the school Padlet page <https://Padlet.com/mrsgraync/Bookmarks>
