HOT LUNCH PRE ORDERING SYSTEM IN SEPTEMBER

Our hot lunches from Rendcomb College will **resume Wednesday September 4th**. We will aim to e-mail parents with the autumn term menu by Tuesday September 3rd. Paper pre order menus will go home with children on Wednesday September 4th. We will resume the lunch pre order system on **Monday September 16th**. Until this point children will be able to request a lunch daily from their class teacher.

GOODBYE LEAVERS

It is that time of year that we say goodbye to our Year 6 leavers.

These are Tyler, Emy, Abigail, Freddy, Dylan, Chloe, Isabella and Emily

Good luck with the next stage of your journey and beyond. We hope you keep in touch.

THE NCSA BBQ

Well done and thank you to the NCSA who raised £458.12 from the BBQ.

We would also like to thank the NCSA for their donations to our curriculum resources, sponsoring Jonathan's jungle, the Year 6 WOW trip to St Michael's Park and supporting the trip to Cotswold Wildlife Park.

We would also like to thank St James Place for kindly sponsoring our school production this year.

ECO SCHOOL

As a school we are always doing our best to try to help the environment.

We have recently started recycling our plastic bottles and food waste along with our cardboard and paper.

We have also stopped using individual tetra paks for our school milk and have started receiving our milk in milk bottles.

After receiving a letter from Mina and Rohan Stoten in Year 2 our School meals provider Rendcomb College have also started giving us flapjack or brownie tray bakes instead of individually wrapped puddings.

FRANCE

In June some of our Year 5 and 6 children went to France. Joined by Bibury, Southrop and Hatherop Schools the children travelled to France via ferry. The children took part in a chocolate and croissant making events, visited the town of Menin Gates in Ypres and a market in Le Torquet. They also went to the Memorial Museum Passchendaele. A wonderful time was had by all.

SUMMER LIBRARY READING CHALLENGE

Don't forget that your child can take part in the summer library reading challenge. All children who complete the challenge will receive certificates in school. In order to do this please leave the certificate in the library.

For more information visit <https://summerreadingchallenge.org.uk/> or visit Cirencester library.

NEW RECEPTIONS TEDDY BEARS PICNIC

On Tuesday June 25th we welcomed our new reception children in for a Teddy Bears picnic. Although the weather was not in our favour our new reception children and parents were joined by children and parents of Green class along with Mrs Gray.

They were all very excited to come to school.

JONATHANS JUNGLE

On Wednesday June 26th we had several special visitors from Jonathans Jungle come to visit the children. Kindly sponsored by the NCSA the children were able to see various creepy crawlies including a very large snake!

COTSWOLD WILDLIFE PARK

On Monday July 8th our whole school went to Cotswold Wildlife Park. The children were able to see the animals and let off steam in the play park. The children also met up with the Bibury children who were also there on the day.

MONEYSENSE

Making Sense of Money

We are working towards becoming a MoneySense Accredited School as part of our commitment to teaching our pupils how to use money safely and responsibly. Mr Merrifield joined us earlier this term from NatWest to run workshops with all 3 classes.

Green Class learned about how we use money, how it can be spent, saved or donated. They also explored the difference between 'needs' and 'wants'. Yellow Class learned about budgeting through planning a party. Blue Class became detectives to solve a crime of fraud as part of their workshop to understand the dangers of identity theft and fraud.

OUR CHRISTIAN VALUE FOR LIFE RESPECT

We are learning at school about the importance of treating others with respect even if we do not agree with the way they behave or the things they say. We have also been thinking about how we should treat the things that belong to us and other people respectfully.

- Think of some practical ways that you show respect to each other in your family
- Often we show respect by the way we speak to them. What does this mean in practice?
- Do you treat another's possessions with respect? What does this mean in practice?

BIRTHDAYS

Happy birthday to Nate, Eliza, Dylan, Freddy, Emmy, Blake, Sophie T, Josh, Ruby, Eloise and Sophie C who are celebrating their birthdays in July and August.
