## Panathalon Multi-Sports Champions 2019

On Thursday 31 January the students from Year 9 plus Bedirhan Year 10 represented Hackney borough in the first round of the Panathalon East London Multisports Competition at Langdon Academy in East Ham. The team competed against Islington, Tower Hamlets and a very strong team from Newham who were the host team. After a very good performance by everybody the team won the overall competition and qualified for the Champions East London finals competition in March at University of East London Sports Dock.

Some of the highlights from the day included Joel's standing long jump, he recorded the longest jump ever seen from a Stormont House student – 2 metres and 37 cm!! Shay and DJ had to have the Sports Hall adapted to perform their javelin throw – they were simply throwing over 20 metres!!

## Year 10 You're Hired!!!

Since the beginning of January Year 10 have been preparing for their first steps in to the world of work. Students have been working towards internal work placements for various jobs within school. In preparation for this students have been learning how to apply for a job, practising good interview technique and learning how to dress to impress for an interview. On Thursday 31 January it was clear all of Year 10's hard work and preparation had paid off.

Every student in Year 10 arrived very smartly dressed and definitely were ready to impress their interviewers. Our interviewers on the day were Beatrice Andrews our Careers Link Governor, Grainne Hylton the school's Business Manager and Kevin McDonnell our Headteacher. The students took it turn to be interviewed making sure to knock on the door before entering. Some students were extremely nervous and others quietly confident but all of them managed to complete their interview, feeling very proud at the end of the process.

After all the interviews had taken place the Year 10's were informed by the interviewers that they had all done very well and would be hearing soon whether they were successful in being hired. Well Done Year 10! Fingers crossed you will all be hired.
