Year 12 Prepare for the Duke of Edinburgh Practice Expedition

On Tuesday 18 September Year 12 with the help of H5 (the SHS Licensed assessors for the Duke of Edinburgh Award), undertook a training day so that they would be prepared for their first overnight practice expedition on Wednesday 26 and Thursday 27 September. The students learnt about map reading (how to plan a route), how to put up a tent and how to use a Trangia to boil water; what to include in their kit list and how to pack it into their rucksacks. The students also learnt about the Countryside Code and general first aid. As you can see from the picture the students proved to be very capable at making sure their tents were put up

Please remember that for your child to attend an after school provision at Stormont House School your child will need to either be an independent traveller or a parent/carer will need to collect from school.

Help Your Child Learn Using Solo Taxonomy

We will continue to use SOLO Taxonomy to plan and differentiate learning for students as it is having such a positive effect on student interaction and progress in lessons. Watch this space for the new Stormont Super SOLO Hero who will be helping us with our SOLO taxonomy learning. Super SOLO will be flying into a classroom and newsletter coming your way soon...
