## 9M A Visit to London Zoo

Year 9M students had the opportunity to visit London Zoo this week as part of their 'How can we sort nature?' topic. The classes enjoyed the opportunity to learn more about how we classify animals and then got a chance to practice these new skills around the zoo where they saw all kinds of different animals from all over the world. The favourite animals were the Wild African Dogs and the Pygmy Hippos. The class even went into a Lemur enclosure and witnessed the Lemurs fighting over their food. 9M had a wonderful day finding out loads of interesting facts about the animals.
