## An Easter Play Extravaganza

On Friday 5 April, Year 7 performed the Easter Play in front of parents, students and staff. Ms Ball and Ms Swaffield had practiced with 7M and 7D to make sure that their performance was word perfect. On the day although the children were very nervous they were all excellent, all of the students played their parts to the best of their abilities without the need for any prompting from staff.

The assembly also included a number of musical interludes performed by Shane on clarinet (Yr. 11), D'yah (Yr. 10), Angelina (Yr. 8) and Tavo (Yr. 9) who all performed a piece on violins. Niccole from Year 10 sang her own composition 'True Love' accompanied by Mr Harries on the piano. Katie from Year 11 sang an Easter song. If you would like to listen to the performances they will be on the school website next week. The students were accompanied by Thomas (Yr. 9) on the piano and DJ (Yr. 9) on the drums. Well done to all of the performers you were all amazing.

## Stormont House Alumni Sporting Success

On Monday 29 April Stormont House was visited by one of our ex-students – Lily who left in June 2018. Lily recently competed in the Special Olympics World games in Abu Dhabi, she plays tennis for the Great Britain squad.

Lily competed in the Ladies Singles Level 5 and the Mixed Doubles Level 5 competitions, she achieved gold medals in both of the events. Lily returned to Stormont House to tell our students about her path to the Olympics and how hard she had to train with the squad in order to compete in the games.

As you can see from the included picture Lily brought into school the medals that she had won at the games. Stormont House is very proud of Lily's achievements.
