Year 11 Record of Achievement

On Thursday 21 June we hosted the Year 11 Record of Achievement celebration which was attended by invited guests, parents / carers and students from Year 9 and 10. Mr McDonnell spoke about the achievements and strengths of each of the Year 11 students, and of their plans for the future. Mr Hawes (Chair of Governors) presented each student with their ROA folder. Each year we present 8 prestigious awards to students who are nominated for the award by staff at Stormont House - the winners this year were: The Whitfield Award for Art and Design - Ashley, Queen Elizabeth Trophy - Marcel and Noreen, Edward Miles Award - Victoria, Stephen Ryder Award - Lia, The Williams Lea Award - Aaron B, The Grosvenor Award - Shekinah, Olympic Legacy Trophy - Brett and The Deryn Hall Trophy - Marco. The Jack Petchey Award for June was presented to Jake. The Year 11 students performed the musical interludes between the awards, the performers were Aaron B (Piano), Ashley (Bass), Joshua, Bosun, Victoria and Owais (iPads) and Shekinah, Lia and Kerece who performed a 'Lean on Me / Count on Me Medley'. Well Done Year 11.

Stratford Waterfront Schools Challenge

DJ, Janai, Adrian, Arjun, Tallulah from 8C were shortlisted in the Stratford Waterfront Design Challenge Competition. On Tuesday 19 June the finalists, who were selected out of 36 entries from schools across London were invited to the Olympic Park to present their ideas to a panel of judges. The Stormont House team put forward an idea for a water fountain shaped like a giant flower, they felt that their design would brighten up the waterfront in the Olympic park. The team all made a fantastic effort in their presentation and had a great day which included activities led by the Victoria and Albert Museum, they even got the chance to go on the Arcelor Mittal Orbit! It was super-fast and quite scary, Arjun and Mr Buraimoh loved it so much they went back up for another turn! The team were presented with a beautiful finalist's trophy for their entry, they all really enjoyed every moment of the event.

We are working hard in lessons to improve our learning using SOLO Taxonomy. Please ask your child: What new ideas did you talk about in class this week?
