Science in Schools – Interactive Science

On Tuesday 26 February Mr Nelson organised for 'The Royal Institution – Institute of Science' to visit Stormont House for a fun filled day of science. The Royal Institution is an independent charity dedicated to connecting students with the world of science. The Science in Schools programme is the culmination of two centuries of experience and experimentation.

All of the year groups in school experienced the 'Energy LIVE! Show', the students were shown experiments about the different types of energy and how they affect their lives. As you can see from some of the included pictures the students experienced many exciting, fire and energy based demonstrations.

Parent / Carer Reminder – Medical Health Care Plans

Ms Mira the Stormont House School Nurse recently sent out student medical health care plans for parents / carers to review and update – can all parents / carers please return the plans to school as soon as possible.

World Book Day

On Friday, 8 March, students and staff will be dressing up to celebrate World Book Day at Stormont House.

Please support your child's efforts to find, borrow or create a costume for this event.

Each child will need to bring in £1 if they are wearing a costume – we will be donating the money raised to the Comic Relief Charity

For costume ideas you may like to visit the World Book Day website.

www.worldbookday.com/dressing-up/

Students must either bring in their uniform to change back into or stay in their costume all day.

If your child is not wearing a costume they must wear their school uniform.

If your child is stuck for ideas, their Tutors may be able to help with some suggestions.

Good luck with getting creative!

Here are a few ideas from last year's costumes.

Term Dates for your Diary

Year 7 Woodrow High House Residential (3 days)

Year 8 Girls HPV Vaccination
