Reminder on School Rules:

Food and drink

Pupils are allowed to bring in bottles of water which can be refilled in school. They should be labelled with their name. No other food or drink is permitted in school. All pupils eat lunches provided by the school kitchen and are also provided with fresh fruit at break time. Breakfast is also provided at no additional cost. We strongly discourage children buying sweets for the journey to school, and ask all parents/carers to support us in this. Any sweets, food or drink brought into the school may be confiscated and disposed of. Chewing gum is completely unacceptable and usually incurs a detention after school.

Money and items of value

There is generally no need for pupils to bring money into school unless they are bringing it in to the school office. In some circumstances we may allow pupils to bring in some spending money for a school trip or event, but we will let you know this in advance. The school will not be responsible for the loss of any money or item of value brought into school, however this may occur.

Jewellery/ make-up

Only a maximum of one small plain stud or small hoop earring in each ear is allowed. Anything else will be removed and kept in the office. For 'repeat offenders', the items will be kept until the parent or carer collects them, even if this is after the weekend. Watches are allowed (at your own risk), but any chains, bracelets, rings, large or decorative earrings are not.

Mobile phones/ mp3 players/ games consoles etc.

Any communication or entertainment device must be handed in to a member of staff on duty in the hall, to be placed in the appropriate year group box where it will be stored in a wallet with the pupil's name on. The items are returned at the end of the school day. Any items not handed in, but kept in pockets or bags may be confiscated. For 'repeat offenders', the items will be kept until the parent or carer collects them even if this is after the weekend.

Personal school equipment

We expect all pupils, especially from Year 9 on, to take increasing responsibility for having the correct equipment in class. Please make sure that any pencil case etc is clearly labelled with your child's name, also please make sure that any 'extra special' pens etc are kept for homework rather than brought into school, in case they are mislaid and upset is caused.

Thank You!
