On Tuesday 23 January from 3.45 to 6.30pm there will be a Key Stage 4/5 Parent / Carer evening for Years 10, 11 and 12. Year 11 parents / carers will be able to speak to the Year 12 team regarding their child's transition into the sixth form provision / moving on to an external provision. We look forward to seeing everyone next week.

Have you checked out the school web site recently?

Our school web site is changing all the time - with news, photographs and information that will inform you what is happening in school and upcoming events.

Check out the updated curriculum area with information from all of the subject areas - find out what your child is studying in Maths / English / Humanities / Science / Computing / Design and Technology / Art / Food Technology / PE / Music / Personal and Social Development / Spanish

Take a look at the 'Hackney Local Offer' area - you can find out information about support groups such as CYGNET / Hackney SENDIAGS / Autism Awareness Group / CAMHS Café.

On the site your child can log into the following digital learning sites - 'Purple Mash' (which enables children to explore and enhance their knowledge in a fun and creative way) and 'Hour of Code' (which is an introduction to computer science and gives your child an idea about how to learn the basics about coding).

If you have any suggestions about new items for the web site why not let the school know we are always looking for ways to keep our site up to date.

Green Frog Awards for Excellent Behaviour

Each week students receive green frog tokens from members of staff for good behaviour / great work / reaching their targets etc. - each week all of the tokens are entered into a draw where two students receive a £5 gift voucher.
