Year 11 Work Experience

Last week Year 11 explored the world of work through work experience placements in a variety of career sectors. This year our students experienced a wide array of placements which included Linklaters, Mediorite, Scope, Waterhouse Restaurant, Young Hackney Sports Team, Bridal Reloved, Baden Powell School, St Scholastica's School, BSix ICT team, The Edge Youth Hub, Spitalfield's Farm and some of our students undertook their placement at Stormont House.

While on their work experience students were visited by members of Stormont House staff who have written a report on the student's placement and how well they have performed. The school were very impressed with the maturity of the Year 11's and how professionally they behaved. Well Done Year 11!
