Healthy Eating Week

Stormont House School staff and students have really enjoyed celebrating Healthy Eating Week over the past few days. They have engaged in bike smoothie competitions, physical activities (including a staff versus students football match) and food bingo. Everyone had great fun making fruit kebabs, summer salads and veggie omelettes. All of the fruit eaten over the past few days was picked by the students from Stormont's fresh produce that is planted and tended from seed to plant by our students in their gardening sessions.

All of the students did really well in their races, Zak achieved fourth place in his race, this was the first time that Zak had competed for the school. The Hackney team came fifth.
