Stormont House School Celebrates World Book Day

With all the snowy weather we have had recently it was fantastic to see so many students in school to celebrate 'World Book Day' in the whole school assembly which took place on Friday 2 March.

Ms McKell and the students from 11F created a wonderful assembly to celebrate this annual event that celebrates authors, illustrators and reading. Students from 11F spoke about why they liked their favourite books. All of the students took part in a quiz about books.

Many of the students and staff joined in the celebration by dressing up as a character from their favourite book. Ms McKell brought each of the students up to talk about their characters as you can see below there was a wonderful array of characters from all sorts of different books.
