Year 7 - Settling in at Stormont House School

Settling in at secondary school can be a challenging time, but with the support from family and staff at SHS this transition has been made smoother for all of our new Year 7's. Ms Driver and Ms Motin are pleased to let you know that your children are settling really well into their routines in 7M and 7D. Just to give you a glimpse of how well they are doing, photographs were taken this week of the students in Art & Design / Design Technology / Literacy / ICT.

More pictures will be on the school web site - www.stormonthouse.hackney.sch.uk

After School Clubs

After school clubs started last week- you will by now have received your child's confirmation letter re: the clubs they will be attending. Please make sure that you have contacted your child's transport provider to let them know on which evening/s transport will not be required.

If for any reason your child cannot attend a club please inform Reception at school on the morning that the club is meant to take place - **Please inform your child's transport provider so that normal transport can be arranged.**

If any parents / carers have not yet signed their child up for an after school club please contact school - we have the following places available:

Day	Club	Spaces
Monday	Cricket Club - 3.30 to 5.00	5 spaces available
Wednesday	Cycling Club - 3.30 to 5.30 Multi-Sports Club - 3.30 to 4.30	No spaces available 2 spaces available
Thursday	Football Club - 3.30 to 5.00 ICT / Gaming Club	6 spaces available No Spaces available

Annual Flu Immunisation Programme Returns to Stormont House

Vaccination UK will be visiting Stormont House School on Wednesday 11 October to undertake our annual flu immunisation programme. Flu immunisation consent forms / information packs were sent out on Monday 25 September to all year groups 7-12; if you would like your child to receive the flu vaccination please return your forms to school as soon as possible.

5 reasons to vaccinate your child against flu

- **Protect your child.** The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.
- **Protect you, your friends and family.** Vaccinating your child will help protect more vulnerable friends and family.
- **No injection needed.** The nasal spray is painless and easy to have.
- **It's better than flu.** The nasal spray helps protect against flu, it has been given to millions of children worldwide and has an excellent safety record.
- **Avoid costs.** If your child gets flu, you may have to take time off work or arrange alternative child care.
