Sixth Form BTEC WorkSkills - Teamwork

Our sixth form students have started their BTEC WorkSkills Course with Ms McKell, the course is an introduction to Enterprise (Planning an Enterprise Project / Running an Enterprise Project / Producing a Product), Preparing for Work Experience, Career Progression, Rights and Responsibilities and working in a team.

As part of the 'Teamwork' unit Year 12 were given the task of working as a team to accomplish the following tasks:

- Using string to lift a cup with every member of the team taking part
- Making a newspaper structure – aiming for the strongest and the tallest structure possible.

As you can see from the pictures below the teams worked amazingly well together.

Flu Immunisation Change of Date

We have received information from Immunisation UK this week that the Flu Nasal Spray Programme due to take place in Stormont House on Tuesday 8 October has been delayed due to a problem with the delivery of the nasal spray. Ms Napier will contact parents / carers once she has received the new date for immunisations. If the delay causes a problem for your child – please contact your GP who will administer the Flu Immunisation.
