

Dear Parents and Carers,

You may have heard the exciting news that the **Giants are coming to New Brighton on Friday 5th October!**

The arrangements for this event have been kept highly secret and local Headteachers have just been informed of the final details. Headteachers and members of the Local Authority Education team recognise how this spectacle will be a great event for children and their families.

The Wirral parade will be along New Brighton promenade and it is expected that the event will attract a vast number of visitors to the area which may make it difficult for parents to access schools during peak times.

For these reasons, it has been agreed that pupils of schools situated within the Wallasey cluster will be able to visit The Giants without incurring an unauthorised absence. Families who would need to travel close to the route would also be able to collect their child from a Wallasey cluster school earlier than the usual time of closing to ensure safety.

Schools must ensure that children are safe and know who is responsible for pupils on the day. We therefore require parents and carers to sign the relevant section on the attached slip and return to school by Friday 28th September so that we may maintain the safety of children and enable families to be well supported for this fantastic occasion.

Yours Sincerely,

Headteacher

Please sign to indicate your intentions

On Friday 5th October my child class will:

1. Attend the full school day as normal
2. Attend school, stay for lunch and be collected from school early to ensure safe journey home. I will be responsible for my child following early collection from school
.....
3. Not attend school as we will be attending The Giants and I am responsible for my child throughout the day
