Christmas Decorations and Wrapping Paper Request Reminder

This year we want to give the school a truly Christmas feel by putting up decorations for the Christmas Fair. However, to do this we need your help. What we need are Christmas decorations! So if you have any you no longer need or would just like to donate something to help then we will be putting a grey wheelie bin under the covered Noah's Ark area (left-hand side of the playground) for these donations to be put in.

We are also in need of wrapping paper for all the gifts we have to wrap for the fair so if you have any half used rolls, paper you can't use again because it was that special "Santa" paper from previous years or just want to donate some then please also put it in the grey wheelie bin under the covered Noah's Ark area.

Helpers Needed Reminder

Unfortunately we still have had only a couple parents come forward as of yet to offer their help. Without your support, we cannot put on events like the Christmas Fair! As always we are in need of helpers for the fair and would appreciate it if you could spare us a little of your time to make sure we can make the event as fun-filled and special as possible! We need help in setting up, tidying up and manning the stalls. If you can help (times we need helpers below), then please send us an email or get in touch via our Facebook page (Details below).
