

Saturday 30th June 11am-2pm

It's that time of year again where the CCSA needs to ask for your help and generosity to make the 2018 Summer Fair a great success! The Summer Fair will be held on **Saturday 30th June from 11am-2pm.**

To make it easier for you we have listed all the dates for your diary in the lead up to the Summer below as well as what is happening on each one and which items we are looking for. Reminders will also be sent home at the beginning of the week of each non-uniform day.

We know that we ask a lot each at this time so can we remind parents that these requests are optional and children are able to still take part in the non-uniform days if they do not bring in an item.

Please make sure you check out our Facebook page @ChristChurchSchoolAssociation for the most up to date information and news.

Can You Help?

The Summer Fair is our biggest event of the year and as such, we rely on parents volunteering their time on the day to pull the event off. We understand that parents will want to spend time with their children during the fair so please don't be put off volunteering thinking you will have to help for the whole fair. We split the fair into time slots and once we have your details we will be in contact to see what time you can volunteer. We are looking for parents too;

- help set up prior to the start of the fair
- help run stalls at the fair
- help clean up after the fair

If you are able to help out at the fair or if you have any questions please drop us a message or fill in the and return the reply slip at the bottom of this letter.
