14.5.2018

Dear Parents/Carers,

Next week Christ Church will be joining millions of schools across the globe by taking part in Walk to School Week. Active journeys to school not only reduce the carbon emissions in our environment but also keep us healthy. The Eco committee work hard each month to analyse the methods of travel and are keen to improve the number of children walking to school.

To celebrate our active journeys, **Tuesday 22nd May** will become **Happy Shoesday**. The children are encouraged to wear their favourite shoes in place of their school shoes on this day. We are asking for contributions of 50p to help us to once again support Sal's Shoes, a charity that enables used shoes to find a new pair of feet in countries where shoes are not affordable for all.

We hope you enjoy making active journeys during Walk to School week, remember that parking further away from school and walking the last part of the journey counts as an active trip.

We look forward to seeing you scooting, cycling, walking, striding and strolling your way into school.

Thank you

Miss Cowell and The Eco Warriors.

CCMPprimary and @ChristchurchMor
