SAFETY REQUEST

Dear Parents & Carers,

I am writing to ask you to please take care when dropping off and collecting your children. I have recently had a number of residents contact me to raise polite concerns about pupil safety with cars parked on pavements and also that emergency vehicles cannot access roads due to parked cars.

I know how frustrating parking is outside all schools, but please stop to find somewhere safe as an extra two minute walk may prevent an accident. The Church team are happy for parents to park in front of and behind the Parish Centre at the start and end of the day before their activities begin. This makes a nice walk and reduces congestion outside the school gates.

We are looking at having buzzer entry systems installed on all gates to reduce cars pulling into the driveway as we recently had a near miss which could have resulted in injury. **Please support us to keep children safe.**

Summer Uniform

We have been approached by a parent regarding ties and buttoned shirts during hot weather. To ensure they don't get too hot and uncomfortable, pupils are able to wear **open necked, white collared shirts without ties** during the summer term. Let's hope the sun lasts and children can enjoy cool necks!

Thanks as always for your support,

Amanda Donelan
