**Dear Parents / Carers,**

We are aware that children are bringing small sphere shaped magnetic magnets into school. Whilst the children enjoy using them as fidget toys, we are unable to allow these in school and request that children leave them at home. There is a Health and Safety implication surrounding the use of them and it has been brought to our attention that children in other Local Authorities have needed medical attention due to swallowing etc. Please be aware that staff will take them from the children and keep them safe until the end of the day, should any be found, as the safety of the children is of paramount importance to us.

**Thank you for your co-operation with this matter.**

**Yours Sincerely,**

**Miss M. Shahi**

**Assistant Head Teacher**
