SCHOOL NEWS AND VIEWS

What a couple of weeks...
We're in, we're teaching and we're learning!

First of all let me say thank you and well done to everyone for adjusting to the new building so well. It has been quite a change. We've got new procedures and path leading to and from the School. With everyone working together we've have successfully finished the first week and I think we all have really enjoyed exploring the new building, its beautiful colours and bright airy spaces.

I'll let you into a secret—it was touch and go that the builders finished on time but with some late nights they were in a position to let us into the building only one day late. Last week the staff unpacked 1200 plastic crates filled with everything a school needs to function from the offices, through the classrooms to the kitchen. Furniture was in the wrong places so we moved it and set it up. Builders in hard hats kept getting in the way so we worked around them. Nothing was where we wanted it. But we did it ready for the children arriving on Monday.

Thank you everyone!
