## SCHOOL NEWS AND VIEWS

First week into a Summer Term and what a great start we had!

The children were thrilled to see the shiny new lockers that had arrived over the Easter holidays.

These lockers were partly funded by the wonderful PTA and proceeds from the Christmas fair so thank you to everyone who has supported these events. It is fantastic to see this funding being used for something that the children have asked for through the School Council and that enhances the look of the building - no more untidy cloakrooms!

Also, huge thanks to Mark Savigar, Pete Copper, Julie and Thomas Masters, Jonathan Best and Jo, Frank and Isaac Conlon for giving up their Saturday morning to help fit all the lockers.

With the weather finally turning sunny and warm can we please remind all parents and carers to ensure the children have their water bottles filled, bring sun hats to school and wear sun cream.

An exciting opportunity has open up at our School. If you would like to apply for the position or know someone who would be interested, speak to the School Office.

## **School Site Manager:**

**Grade 5 £17772 - £18746 Hours: 25 – 37.5 per week (flexible to suit the right applicant)**

These are exciting times at Pound Hill Junior School. We are expecting to be handed a brand-new school building in December 2018.

At Pound Hill Junior School we have a hard working, happy team who work together to provide all our pupils with the best education possible. We achieve this through excellent teaching and the help of Poppy the School Dog, our chickens, extensive grounds, vegetable plots, gardening club and freshly cooked school lunches.

We are looking for a School Site Manager to help us turn the new building into a home for our 390 pupils and 40 staff. If you are a friendly approachable, self-starter who enjoys working as part of a team then this could be the role for you.

The role includes general maintenance of the site to maintain high standards of health and safety and cleanliness, completing routine statutory checks such as fire alarm and water testing, supporting the teaching staff with movement of resources and furniture, overseeing site visits for maintenance and repairs and supporting the school in its lettings programme. Training can be given in any areas required.

Our dedicated staff will be eagerly waiting for you to open the building at 7am and we need you to help us persuade them to go home at 6pm when you lock up but otherwise hours can be worked flexibly so this role may suit someone who needs to work around other part time work or family commitments.

If you are skilled at DIY, take pride in completing a job well, like working as part of a team and enjoy working with children why not pop in and have a chat with us about applying for the role.

To arrange a visit to the school please contact Karen Crockford, School Business Manager on 01293 447000.

To apply for the post please complete the application form and safer recruiting form and return them to the school by **Wednesday 9<sup>th</sup> May 2018**

Interview date: Wednesday 23<sup>rd</sup> May 2018.

## New Children's martial arts classes on Thursdays

It is proven that martial arts training has many benefits for children including improved focus and concentration. It encourages respect and discipline as well as improved physical fitness which is a challenge in these days of X box and social media!

Our classes are highly inclusive with lots of teamwork and games alongside the more traditional patterns and techniques. As well as regular grading celebrations there are workshops and fun nights throughout the year.

New classes here at the Pound Hill junior school on Thursday nights. For more information and to book a weeks FREE trial contact **MARTIN NEW**
