PARENT GOVERNOR ELECTION

You should have received information yesterday about the parent governor election. If you have experience of finance and budgets please consider this position, the school needs a strong governing board to be successful and it is a rewarding role. If you would like any further information please speak to Dee. You can self-nominate or ask someone else to do it for you, however if you decide to stand you will need to write a short piece for the ballot about why you would like to join the board and what you can offer. There will be another election in the Autumn term when we will be looking for a parent governor with experience of Early Years.

TRANSITION DAYS

Next Tuesday and for the following two Tuesdays, children will be having transition sessions to help them get used to the new class and staffing structure.

PARENT SURVEY

You should have received your copy of this year's parent survey today. Could we please ask that you complete and return it by Friday 28th June. The results are taken to the Board of Governors and will help inform next years school development plan.
