

SAFEGUARDING

As you are aware safeguarding is a priority at St Neot School. We are currently undertaking our annual audit with help and advice from our safeguarding governor. All our staff are Level 2 trained and Mrs Bowden, Designated Safeguarding Lead, and Mr Jewell, Deputy Designated Safeguarding Lead, are Level 3. Safeguarding updates are received weekly and our policy is reviewed annually. Additional training is also undertaken as it becomes available. If you ever have any safeguarding concerns please speak to Mrs Bowden or Mr Jewell in the first instance.

MESSAGE FROM FOWEY CLASS STUDENT

I would like to take this opportunity to introduce myself. You may have seen a new face around school. I am Mr Lawrence, a trainee teacher from Plymouth University. I am currently in my 3rd year of the BEd primary programme. This is my last placement of the course and I have the pleasure to be working in Fowey Class until Easter.

RECYCLING CRISP PACKETS

We are now able to send all crisp packets off for recycling and the school will receive a small donation (approx. £2 for every 200 packets). There are recycling boxes in school, please collect your crisp packets at home and send them in.

NURSERY NEWS

Next week the letter sound will be 'p' and we will be reading 'Supertato' and 'Kitchen Disco'. Could children please bring a warm hat in every day as they do go outside whatever the weather.

YOGA

We are very lucky to have been able to book yoga sessions for some of our children this term. It will be a half hour session once a week. Lilly said 'It made me feel really happy and calm and I can't wait to do it again', Dylan said 'It made me feel very fit', Abbie said 'It made me feel really healthy'.

CROSS COUNTRY AT COTEHELE

Well done to all the children who completed last week's cross country race in appalling weather conditions. In the Y3/4 girls race Neave came 22nd, Beatrice 56th and Amy 59th out of 103 runners and in the Y3/4 boys race William J came 17th and James came 106th out of 115. In the girls Y5/6 race Kerenza came 49th out of 103 runners and in the boys Y5/6 race Sam P-R came 40th, Samuel R 45th, Ben 51st and Jake 52nd out of 102.

DON'T FORGET PHOTOS OF EVENTS ARE ON THE WEBSITE

AFTER SCHOOL CLUBS AND OTHER ACTIVITIES

Our thanks to Mrs Cobb, Mr Dell'erba and Mr Pennington-Ridge who are giving up their time to help with after school clubs. A parent said to us this week how impressed she is with the number of opportunities our children are given, including clubs, balanceability, yoga and interesting school trips; our parent volunteers make many of these things possible. We have had several children being signed up to clubs who then don't want to take part. Could you please ensure that either your child wants to come and attends or let us know that that they don't want to come so that another child may take their place, we almost always have a waiting list for clubs, thank you.
