PE NEWS AND PARENT SURVEY

We are proud to be the only school in the South West that currently hold the afPE Quality Mark for our PE offer in school.

We recently surveyed our KS1 and KS2 children and you can find the full survey results on our website. Here are some highlights:

How do PE and Sport contribute to your health and well-being ? It helps you keep fit and it's fun; It makes you feel better; It helps your brain and puts you in a good mood. Do you enjoy PE lessons? 62.5% said always, 27.5% said mostly, 10% said sometimes. No-one said never. Our most popular PE lessons are football and gymnastics. You should have received a parent PE survey to complete. Please return it to school before the end of half term, thank you.
