

THE SOUND OF MUSIC

St Neot Church was alive with the sound of music on Wednesday, what a wonderful show it was. The children performed magnificently with the church as a stunning backdrop. The music soared and reduced many of us to tears. We were so proud to see the children act with such confidence, and the younger children were entranced.

Joseph said 'I was a bit nervous to start with but it was fun. It was interesting how the second performance was different to the first'; Sam said 'The atmosphere was tense behind the scenes, we were trying to be quiet as we had head mikes on'; Dotty said 'Everyone acted really well and I really enjoyed the singalong at the end of the evening'; Ben said 'The audience was very good. We were more confident at the second performance'.

Huge thanks to everyone involved, it was a massive collaborative event. Particular thanks to Norna who gives up an enormous amount of time to support our school and to Mr Jewell for writing and directing, and to all the parents who helped move stage and scenery to and from the church.

Photos are on sale now, £1 for 6x4, £1.50 for 7x5, orders with payment by Friday 12th July please so that Mr Mort has time to print them and get them back before the end of term. The PTA were pleased to raise £84.55 selling refreshments.
