Please take time to read it as it demonstrates the vital role the Governing Board plays in the life of the school and the effectiveness and impact the Board's decisions have made. We are very lucky to have an outstanding Board who play an active part in the life of the school and we thank them for their support.

THANK YOU

We thank Katrina Hoskins who steps down as parent governor next week. She has given a thorough oversight of the budget to the Board over the last 4 years, ensuring financial probity and contributing effectively to meetings.

ODD SOCK DAY

On Monday 22nd July we are asking children to come to school wearing school uniform but with odd socks on, and bring in £1 donation for the LilyBug Fund. The fund aims to provide a sanctuary for anyone who has suffered a life changing episode, giving them an outdoor space away from the everyday stresses of life to find peace in the countryside and with animals that were dear to Lily's heart. There will Lilybug stones and friendship bracelets for sale in school on 22nd, all made by children. They will cost £1 each; if you would like one please send your child in with money on the day, thank you.

KERDROYA PROJECT

On Wednesday Years 4 and 5 spent the day with Will Coleman from the Kerdroya Project. We learnt about Cornish hedging-this is the oldest manmade construction type in the world still being used for its original purpose, over 4000 years. We also practised some Cornish before heading to Colliford Lake where we met Daryl Ashley, a Cornish hedger. We had time to have a go at hedging ourselves and to see where the labyrinth will be built next year. Thank you to all the adults who helped with transporting the children. Next Thursday there is an open day at Colliford to explain the project, and a plaque presented by the children will be unveiled.

THANK YOU TO OUR VOLUNTEERS

We are constantly delighted and amazed at the time our volunteers give to support our children and we are so grateful to all of you. We have a number of people who come in who have no connection with the school other than their keenness to help us. These people help us to ensure that the children are heard to read daily and help give them many opportunities that might not otherwise be open to them. As well as these volunteers we would also like to thank the PTA who support the school throughout the year, putting on events and raising money to help buy resources and to fund events for the children to enjoy.
