

**LOVENY CELEBRATE ST PIRAN'S DAY IN ST NEOT CHURCH**

Loveny Class had a wonderful educational trip to St Neot Church. Members of the community had put in a lot of effort preparing a varied timetable of activities including making pancakes, creating badges out of felt, a timeline of the life of St Neot, bellringing, and carving animals on to clay tiles. In the afternoon the children enjoyed getting muddy making wattle and daub and they all coloured panels which have been put together to form a large image of St Piran. This can be viewed in the school hall. They finished the day by learning and singing a song about St Piran written and delivered Cornish Bard, Nick Hart, who was wearing full regalia. Our thanks to everyone who helped to make the day such a success. Photos are on the website.

**WORLD BOOK DAY**

The children looked amazing in their World Book Day outfits. There was Paddington Bear, The Tiger Who Came to Tea, Harry Potter and Hermione, dragons and fairies.

We also had a lovely evening of listening to stories, with 7 stations around the hall. Our thanks to all the staff and to Tracee from Liskeard Library, who gave up their time to read to the children. We raised £93 which will go towards buying books for the library.

**NURSERY NEWS**

The letter of the week next week is 't' and we will be reading 'Some Dogs Do, Some Dogs Don't'. Red Nose Day is on Friday 15th March, children can come to Nursery dressed how they like, please bring a donation of £1 per child for Comic Relief, thank you. We are now recycling batteries, the collection box is in the foyer, thank you. Can we please remind you to drop your child in to the Nursery at 9.00 then leave your child promptly so that we can take the registers. This enables us to settle the children quickly and allows us to get on with our days' activities.

**RECYCLING BATTERIES**

Your child should have bought home a battery recycling box today. Please collect any used batteries and, once the box is full, bring it back to school and we will send them off for recycling.

Our crisp packet recycling scheme is going very well; thanks to all the parents who are also collecting in their workplace and bringing the packets to school for us. We are about to send off our first batch.

Don't forget we also have a clothes recycling bin in the car park, and that we collect used stamps for the Dog's Trust.

**FOWEY CLASS PHOTOGRAPHY WORKSHOP**

We spent Tuesday afternoon learning about 'the rule of thirds' 'face space' avoiding camera shake and how we should be level with the subject. We also, took photos from angles and positions which we hadn't thought of before.

Sadly we couldn't go outside as the weather was dreadful, but we found some interesting subject matter in the school. Our thanks to Mr Dukes who spent the afternoon

**HEALTHY LUNCH BOXES**

We do encourage children to eat healthily so discourage sweets and chocolates in their lunch boxes.

**LAMBS IN DEWEY CLASS**

As part of our learning about people who help us a local farmer bought two lambs in for us to see and we watched them being bottle fed. Some of the children had never seen a lamb up close and were a little nervous but by the end of the session all had a turn at petting one.

**THANK YOU** to Jake who has given 3 football books to the library.

**BREAKFAST AND RIVERSIDE CLUBS**

Could you please remember that children should not be dropped off before 8.00am for breakfast club or collected after 5.30pm from Riverside. Our staff are not on duty outside of these times. Thank you.
