ENTRY FORM & REGISTRATION

Children can enter either collectively through their school or club organiser or attend on the day as an individual entry.

To help with the smooth running of the event, the Coose Trannack committee would be grateful if each school or club could have a representative to act as a contact, to pre-register their team before the closing date and be responsible for their team on the day.

For clubs and schools the entry form should be completed and returned **BEFORE** the event (**by Wednesday, 18th March**), however if this is not possible entries can be made on the day - please report to Registration **at least** an hour before the scheduled time of the race.

Please note **ONLY** the following will need to report to Registration on the day to collect their race numbers:-

→ School or club organisers who are collectively organising the children from their school / club as part of a team.

→ Individual children who have not been pre-registered via their school or club organiser.

The entry fee is **£2.50** per child (£4.00 for the Adult Race - age 16 and over). Cheques should be made payable to the "FTS". As part of the entry fee competitors will receive a drink, an item of fruit and a snack bar. They will also receive a certificate showing their finishing position and can keep their race number as a memento of the occasion.

RACE INFORMATION

All competitors should be ready for their event at least five minutes before their scheduled start time and should gather in the Marshalling Area. **Only children due to compete in the next race are allowed in the Marshalling Area.**

Adults are NOT allowed to accompany their children into the Marshalling Area, nor are they allowed to accompany the children to the start line.

Although the boys and girls races are combined, there is a competition for both boys and girls in every age group. The boys and girls should go to the Marshalling Area together, but the actual start of the races will be staggered on the start line with a gap of about 30 seconds. The boys will go first.

All competitors are awarded a certificate of participation, with their race finish position on, immediately after the race.

There are medals for the top three finishers in each age and gender category and also trophies awarded to the best Primary School and Club – the first six finishers in each race earn points for their school and club if applicable.

The race positions will be noted down by the finish line marshals from the race numbers on the children tops. The first six finishers will be asked their name / school and club on the finish line as a double check that we have recorded the point scoring children correctly for the results.

Club teams will not be in competition with Schools. Pupils can represent both their club and school and will score points for both.
