

# Summerhill Matters

## Message from the Headteacher

### Mad Science

Last Friday we had a visit from Mad Science and DNA Dan. The children created a circuit to show how electricity works and how to generate electricity through friction. We also experimented with colours, ultra violet lights and fire!

### Sefton Young Carers

Today we had a visit from Ruth and Eve from Sefton Young Carers. They talked to the children about the role some children play within their family. The project provides support services to children and young people whose lives may be affected by the impact of being involved in caring for a family member.

The project provides services such as advice and information, 1:1 support, advocacy, respite breaks, access to counselling and peer support for children and young people who are significantly impacted by caring for a family member. The service also works to raise the awareness of Young Carers amongst other professionals and works in close partnership with many agencies to ensure that children and young people are not carrying out inappropriate caring and are supported to be healthy, stay safe, enjoy and achieve, make a positive contribution and experience economic well-being.

## **PARENTAPP**

We have been very aware that the communication via our Parentapp has not been reliable of late. We have been in consultation over the issues we have seen such as the system randomly logging out individuals, discrepancies in term dates being displayed between android and IOS, and messages not being received.

The company have upgraded their system and following a meeting this week, we agreed to give the upgraded system a try.

## **WHAT YOU NEED TO DO NOW.**

1. Please ensure we have *up to date details of your mobile number and email address.*
2. Delete the existing Summerhill App.

Once the system has been set up for us we will send you an email inviting you to the new system. The new system is accessed via the app called Parentapps Connect. It will allow us to send individual messages, letters, trip forms that you can sign electronically and many other features. We may then, in the future, stop using Parentmail depending on the success of this upgraded system

## **ACTIVITY PASSPORT**

You may have heard about the Government's new initiative called "My Activity Passport". This is a list of activities aimed at each year group in Primary Schools.

The Department for Education states, "the activities are designed to be accessible so that every child and family can get involved and include milestones for each primary school year group."

You can find out what the government says here:

<https://www.gov.uk/government/news/activity-passport-to-inspire-schoolchildren-and-boost-resilience>

As a school, we think this is a great initiative and we would encourage parents to involve their own child with the Activity Passport programme.

A free website <https://activitypassports.co.uk/> has been set up by to support anyone who wants to make full use of the Activity Passport, and this could be an important resource if you want to encourage your child to complete the Activity Passport activities. From this website you can download the Activity Passport.

We would appreciate it if you could send a photograph that shows activities you and your child are participating in. We will print some of these off for display and your child will use them as a prompt to 'talk about' the activity. This will link directly to our work on oracy, vocabulary and language development.

## **CO-OP LOCAL COMMUNITY FUND**

## LEAVE OF ABSENCE (HOLIDAYS) IN TERM TIME

We know that you, as parents/carers, want the best for your child and that having a good education helps to open up more opportunities in adult life. Bearing this in mind, I would like to include a reminder regarding the law relating to holidays taken during term time.

As parents, you have a legal duty to ensure that your children attend school on a regular basis. The Education Act 1996 makes it a criminal offence for a parent to “fail to secure their child’s regular attendance at the school”. On matters relating to term-time pupil absences, the Education (pupil registration) (England) (amendment) Regulations 2013, which came into force on 1 September 2013, removed all references to ‘family holidays’ and ‘extended leave’ as well as the ‘notional threshold of 10 school days.’ The amendments also make it very clear that Headteachers may not grant any leave of absence (holiday) during term time unless exceptional circumstances prevail. The amendments give *parents no entitlement to take their child out of school for a holiday in term time* and require the Headteacher and Governing Body to determine what the exceptional circumstances are. Government guidance refers to service families only. Each request will be considered individually.

***A letter requesting leave of absence - stating the reason for the request, must be sent to the headteacher, well in advance of the planned absence.***

***Email requests may be sent to [admin.summerhill@schools.sefton.gov.uk](mailto:admin.summerhill@schools.sefton.gov.uk)***

It must clearly state in the letter what the exceptional circumstance is that requires the leave of absence being taken in term time.

On receipt of the request, you will be sent a response indicating whether the school is able to authorise the leave of absence or not.

Any requests made for a holiday to be taken in the academic year, which is not considered to be exceptional in circumstances, will result in a fine. If parents, contrary to what the school has said, still decide to take their child out of school for a leave of absence then the absence will be coded as unauthorised. This may lead to the school referring the matter to the Local Authority

PENALTIES FOR UNAUTHORISED ABSENCE		
Timeline	One child	Two children

After 21 days and before 28 days	£120 <u>per parent</u>	£120 per child = <u>£240 per parent</u>

## REMINDERS

### Supervision on the Playgrounds

Please be reminded that the children are the responsibility of parents/ carers at the beginning and end of the school day. We kindly ask children not to play out after school as staff from 'After School Club' are waiting to start their clubs on the playground. Thank you.

### Sending Money into school

**All** money that is handed into school for payment of dinners, trips, 'make and bake' etc, **must** be sent in an envelope clearly marked with child name, class, amount and what the money is for.

**Please use a separate envelope for each lot of money.** The money is placed in a box in class, delivered to the office for checking and recording. Any money passed into school that is not in an envelope will not be accepted.

### Dinner Money

Reminder that dinner money is **£10.50 per week**

### The start of the school day.

### Reception, Year 1 ,2, 3 and 4 doors in the morning

After half-term please will parents/ carers remain on the main playground area when the bell sounds and not walk their child to the door. There are still times that it can be daunting for some of the younger children to find their way in through large groups of adults. We aim to get the children into class quickly and settled ready to learn. Messages can be passed via the office, passed to a member of staff on duty or via a note to the teacher. We do appreciate that occasionally it may be necessary to speak directly to a member of staff from your child's class that morning. Let your child know if they have a letter or money to pass in and they can let their teacher know.

## Attendance and Punctuality Matter!

Most parents want their children to get on well in life.

Nowadays, it is more important than ever to have a good education behind you if you want opportunities in adult life. Children only get one chance at school, and your child's chances of a successful future may be affected by not attending school regularly and punctually.

Be here and be here on time!
