Monday 22nd March 2021

Dear Parents and Carers,

Thank you to the 49 families who responded to the RSHE survey in February 2021. Your feedback and written comments have been given consideration alongside feedback from staff, children, governors and the Archdiocese in finalising our policy and curriculum for RSHE, personal development, wellbeing and citizenship. Below is a summary of the responses.

This information, alongside a Parent/Carer guide is now available on the school website:
