Dear Parent/Carer,

Each year all school admission authorities have to review their admissions arrangements and formally set (known as determine) their arrangements by 28 February. Currently all schools within The Partnership Trust are reviewing their admission arrangements for the academic year 2022-23.

As part of this process, the Trust and schools within it have considered their over subscription criteria, this is relevant when there are more preferences for places than places available. If schools wish to make changes to their admissions arrangements, they are required to follow a consultation process. Even if they do not wish to make changes, they are required to carry out a consultation every 7 years.

This year all schools that are part of The Partnership Trust are consulting on their admission arrangements. You will find on the school website stmaryswrithlington.co.uk a consultation notice as well as a copy of the proposed admission arrangements, including the over subscription criteria.

The consultation notice details what you can do if you wish to raise any points in connection with the consultation and what happens next. If you would like a hard copy of these documents, please get in touch with the school office.

Kind Regards,

Ms Lampert
