PART ONE

HALTON BOROUGH COUNCIL'S CORPORATE POLICY

1. INTRODUCTION

Under the Health and Safety at Work (etc) Act 1974 employers have a duty to safeguard 'so far as reasonably practicable' the health safety and welfare of employees and others affected by their actions.

This Health, Safety & Welfare Policy outlines the roles and responsibilities with regard to the management of health and safety in order to comply with the requirements of the Health and Safety at Work (etc) Act 1974, the Management of Health and Safety at Work Regulations 1999 (as amended 2006) and other associated Regulations and Approved Codes of Practice.

In particular the aims of the Health and Safety at Work (ect) Act 1974 are to:

- (a) Provide a legislative framework to promote, stimulate and encourage high standards of health and safety in the workplace; and
- (b) Promote safety awareness to ensure a safe organisation and to continually improve performance.

2. STATEMENT OF INTENT

Halton Borough Council is committed to continual improvement in health, safety and welfare performance. A Strategic Priority within the Corporate Plan is Effectiveness & Business Efficiency and in order to do so it recognises its “duty of care” to employees, clients, pupils, and members of the public using its services.

The Authority will aim to comply ‘so far as reasonably practicable’ with its legal responsibilities as required by the Health and Safety at Work Act (etc) 1974 and all other health and safety legislation. In so doing the Authority will:

- Ensure that health & safety is fully integrated into the management decision making processes
- Make suitable and sufficient assessment of the significant risks which may affect the employees, clients, pupils, and members of the public using its services and subsequently identify control measures
- Effectively communicate information on the health & safety information, including the publication of health & safety performance and the risks to those people who may be affected
- Monitor the effectiveness of any measures taken to reduce risk
- Provide a safe and healthy working environment
- Provide safe work equipment
- Provide suitable and sufficient health, safety and welfare training
- Aim to reduce the likelihood of reoccurrence of work-related accidents/ ill-health, incidents and near misses through effective investigation and identifying any areas for improvement
- Co-operate and consult with appointed health & safety representatives recognised by trade unions and where necessary will provide them with information
- On the basis that health & safety is everyone’s responsibility and not just a management function, provide employees with adequate information, instruction and training to ensure their health & safety competence and to enable them to contribute to the effectiveness of this policy
- Review the health, safety and welfare policy at regular intervals
- Give proper regard to ensuring that welfare arrangements and facilities are adequate. Welfare arrangements will include the management of stress whilst facilities will include toilets, provision of drinking water, etc. and also ergonomics such as lighting, heating, seating, ventilation, etc

B. ARRANGEMENTS

The arrangements for carrying out the health, safety and welfare policy are to be contained in codes of practice and guidance notes. This will be an ongoing practice for safe systems of work to cover hazardous work operations.

The relevant codes of practice / guidance notes will be brought to your attention and a list of these documents will be posted in the staff room.

I. First Aid

As a minimum standard, first aid will be provided in accordance with the Health & Safety (First Aid) Regulations.

II. Fire Safety

Fire action notices will be strategically posted and a fire drill held each term.

V COSHH – Control of Substances Hazardous to Health Regulations

These regulations introduce a legal framework for controlling exposure to any hazardous substances arising from work activities.

Each hazardous substance used by the school will undergo an assessment and details of this will be brought to your attention. The Site Manager is responsible for carrying out this work.

VI Risk Assessment

Managers are responsible for ensuring risk assessments are carried out for all work tasks and significant risk and control measures are recorded. Managers must ensure that the appropriate control measures are brought to the attention of staff within their sections.

Further supportive information is available on the Health and Safety Executive Website: www.hse.gov.uk
