

P.E. and Sport Funding

Funding Allocation

From September 2013 Liscard Primary School has made use of additional government funding to enhance and improve our P.E. and Sport provision. £21,382 was allocated for 2018/19. This year (2019/20) we have been allocated £21,400.

How we spent the funding 2018/19

It is up to schools to determine how best to use this funding; here are some of the ways we have used it this year. We feel the funding has allowed us to extend and enhance our provision which has benefited all our children. (If you have any suggestions or comments about how the funding could be or is used, please let us know through our Parent Focus Group or by speaking to any member of the Senior Leadership Team or Mr Murphy.)

- Our excellent sports provision has been recognised with Sports Mark Gold in 2015/2016/2017/2018 and Sports Mark Platinum in 2019.
- Weekly, high quality specialist P.E. and sport lessons are provided for all children at Liscard Primary School. Lessons are well planned, differentiated and active. Children's abilities are assessed regularly to inform future planning.
- We have embedded the Golden Mile programme across key stages and trained Golden Mile Leaders to help facilitate the programme. The aim of which is to enhance health and fitness for all children.
- A wide range of playground activities are provided to our children. These activities further promote healthy, physical habits to our children giving them opportunities to taste varied sports in either a non-competitive or competitive setting.
- New playground markings and sports cage were subsidised by sports funding. These provided children opportunities to increase activity levels.
- We employed a sports technician to deliver curriculum and extra-curriculum activities.
- Specialist coaches are also employed to lead a wide range of **pre** and **after school** sports clubs for all children (see menu of activities).
- A sports coaches are employed to deliver our P.E. and sports provision in curriculum time and to offer structured activities and support during lunchtime and extra-curriculum sessions.
- Our Sports coaches also provide training and support for staff and our P.E. leaders to improve their confidence and competence in teaching P.E. and sports.
- We have attended a range of competitions, festivals and tournaments across the Wirral involving many of our pupils.
- 49% of KS1 children have represented the school in inter-school sport. 90% have represented the school in KS2.
- All P.E. and sports provision is jointly monitored by Premier Sports and the school's Senior Leadership Team to ensure high quality provision.
- We have sign-posted children to many of our local clubs where they can extend and develop their knowledge and skills e.g. Football clubs, Dance clubs, Tennis clubs and Gymnastics clubs.
- All clubs are subsidised to ensure they are accessible to all pupils; 52% of our pupils have attended a club during the year.
- Attendance at any club has been credited towards the nationally recognised Children's University Scheme.
 - Medals and certificates were awarded in the summer term to children 267 children. These children had accumulated a significant number of hours that demonstrated commitment to a variety of sports clubs both in school and beyond the school setting.

- Lunch-times and play-times are supported by P.E. coaches and staff that are trained in playground games.
- Midday Assistants are trained play-leaders and are supported by specialist coaches.
- We have trained a number of our Year 5 and Year 6 pupils to take on the role of young play-leaders and sports leaders.
- 38% of Year 3 to 6 pupils have experienced delivering local cluster competitions.
- A range of equipment and resources have been purchased for lunch-time activities and our P.E. and sport curriculum.
- All Key Stage 2 children learn to swim and how to self-rescue, additional support is provided for any Year 6 pupils who are unable to swim.
- We provide a number of opportunities for our children to take part in outdoor and adventurous activities.
- We organise and host a range of inter-school sport competitions for the Wallasey and Wirral area e.g. swimming, netball, football, handball, rugby, athletics and mass participation sport festivals for schools.
- We have greatly enhanced the quality and quantity of our sports and P.E. provision across the school with the funding which has resulted in very active children who love a range of P.E. and sports activities.
- A progressive programme of Health and Wellbeing delivered throughout the school, covering healthy eating, self-care etc.
- Small group and individual mindfulness and mental health support provided by the ADHD Foundation and our Family Support Workers.

Impact of P.E. and Sports Funding 2018/19

Assessments in P.E. and Sport

All children have been assessed during the year and have an overall judgement for the end of year. The majority of children are working at a level which is age appropriate with many working above expected levels for their age. There is clear evidence of children making good progress during the year. Our pupil questionnaire responses highlight the children's enjoyment of their P.E. and Sports sessions.

Data Curriculum

The funding has facilitated the teaching of P.E. by specialist sports coaches from Foundation 2 to Year 6. This coaching offers teaching staff opportunities to develop their knowledge of teaching P.E.

Liscard Primary employed a sports apprentice to enhance the delivery of teaching P.E. and to provide further opportunities for extra-curricular activities. He offered coaching to gifted children whilst further enriching the quality and variety of the provision of sport across the school.

Children's University Celebrations

We celebrate the time children have devoted to developing a range of new skills and knowledge. They attend accredited courses during the year, offered through school as well as those attended through other organisations, and collate their time spent on each course. This is then totalled and summarised at the end of the year so that their efforts can be celebrated during a special ceremony. The children are presented with certificates and medals linked to the Children's University programme.

Liscard Primary had 267 children receive an award this year. This is further indication of the impact our provision is having on encouraging pupils' active lifestyles.

Scholarships

One child was supported with funding to represent England in a World Championships event in the United States. One child was funded for a scholarship with Wirral schoolboys.

Staff Training

Staff trained to support and facilitate P.E. and sports resulting in many staff organising and supporting a range of events.

Use of P.E. and Sports Funding at Liscard Primary School 2018/19

Aims for 2019–20

We have five key aims for the use of the sports funding:

1. Improve children's achievement and enjoyment in sports and physical education.
2. Improve the quality of physical education teaching by allowing our staff to work with high quality sports coaches who are trained in the delivery of the national curriculum. This will ensure that the funding has a legacy as our staff will become better trained in delivering P.E.
3. Continue to improve our children's engagement with competitive sports through a structured programme of sports competitions and festivals with our local cluster of six primary schools.
4. Ensure that our children can access a wider range of extra-curricular sports clubs. These will be at a subsidised rate. This will increase their participation and improve their health and well-being.
5. To recognise children's involvement in active lifestyles and activities through Children's University and awards.
6. At Liscard, we recognise how children nationally are becoming more disengaged with physical activity due to the use of electronic devices for social media and gaming. We offer our children rich and varied opportunities to keep active, promoting the importance of health and well-being (healthy eating and lifestyles). Our success with the delivery and promotion of sports and a healthy lifestyle has been recognised with four consecutive years of Sports Mark Gold followed by our most recent award of Sports Mark Platinum in 2019.

We will be monitoring all of these indicators during the year and evaluating their impact by:

- Tracking levels of participation.
- Assessing children's achievement in physical education and sports.
- Assessing children's attitudes towards sports and their health.

Partnerships:

Many of our competitions are being supported by external sports clubs and bodies. Children are being sign-posted to local organisations to promote outside coaching and participation. They include:

- LTA tennis at Thorndale and Wallasey Manor Tennis Club
- New Brighton Cricket Club
- ASA swimming through Wallasey Swimming Club
- Bromborough Bull Dogs Basketball Club
- New Brighton Gymnastics Club
- Sports England Netball
- Wirral Gymnastics
- Mini Rugby Tots
- Wirral's Tri Golf Club
- Wallasey Manor Tennis Club
- Wirral Football
- Wallasey Cricket club
- Oldershaw Rugby Club
- Wirral School Boys
- Judo Education
- West Kirby Sailing Centre
- Oxtan Ladies Football Club
- Manor Junior Football Club
- Birkenhead Gymnastics Club

- Wallasey Volleyball Club
- Cheshire Cricket Board

We have very strong partnerships with our local primary schools and we are also working with sports leaders at Weatherhead and Oldershaw Secondary schools.

Extra –curricular provision

Our school is committed to developing a wide range of extra-curricular provision. We will publish a termly record of all available clubs. All clubs will be subsidised.

- Swimming in year Key Stage 2 is compulsory. Our explicit aim is that every child should be able to leave primary school able to swim independently.
- We will provide the children with a swimming pool on site this year. This will be set up on the school premises for two weeks to allow us to offer full days of timetabled sessions to children across upper key stage 2.
- We will bring a climbing wall on to the school premises for two weeks to offer full days of timetabled climbing sessions to children. Offering opportunities to sample activities that some children may find it difficult to access.
- Cycling proficiency training in Year 5. Again we have an explicit aim that every child who participates (this is a voluntary activity) will leave primary school able to cycle and trained to cycle on the roads safely.
- Whole school tennis coaching.
- Subsidised residential activities to provide tuition in water sports, climbing, abseiling etc.
- Staff training to support and facilitate P.E. and sports resulting in many staff organising and supporting a range of events throughout the year.

How the money is spent.

School Sport

1. We have **employed highly qualified sports coaches** to work with our teachers to deliver high quality weekly sports lessons across the curriculum. These will cover the whole range of teaching from Foundation 2 to Year 6. Our coaches also deliver a range of extra-curricular clubs every week.

2. **Facilitating sports competitions**

We have developed the following calendar of sports competitions across the school for the coming year.

We aim to: -

- Develop skills through high quality coaching and teaching.
- Identify talent and introduce rules of games through intra school competitions. All teams are mixed gender teams. Every child in the school will participate in these.
- Invite selected pupils to take part in an inter school competition within our cluster of six local primary schools. They are: New Brighton, Greenleas, St. George's, St. Peter & Paul's RC Primary School and Mount Primary. We expect over 600 children to participate in these. We have altered events to develop inclusion and excellence with a focus on disadvantaged participation.
- Invite all Wirral primary schools to participate in Cricket and football events to be led and co-ordinated by Liscard Primary School.
