

Mount Primary School Family Newsletter

12th July 2017

As the school year draws to a close, things are definitely full steam ahead at Mount Primary. This time of year is always full of emotion as we look forward to welcoming our newest children into foundation 2 but also say goodbye to our wonderful year 6's. I would like to thank staff, families and children for making my first term at Mount so welcoming and I look forward to continuing on our journey in September. I hope everybody has a fantastic summer break.

Y6 Leavers

We couldn't be more proud of our Y6s! They are an absolute credit to Mount Primary and have grown into wonderful young people who are ready for the new challenges that their high schools will bring. Thank you, Y6 for all your hard work and dedication to our school. We would love to hear all about how you are all getting on in the future.

The Y6 Leavers Assembly will start at 10am on 25th July 2017, refreshments will be available. It will be finished by 11am. The children will be leaving school after the assembly – we want all of our children (and parents/carers too!!) to leave Mount Primary on a high!

Race for Life

Our Race for Life event was a huge success and I cannot thank everybody enough for their support for this excellent cause. Mrs Waldon led a wonderful team of Y6's who coordinated the event and a fabulous day was had by all. We have raised over £4000 for Cancer Research which is absolutely phenomenal! Well done and thank you!

Summer Fair

Again, our school community came out in force to support our summer fair this year. I would like to thank our dedicated team of parents who organised and ran the fair as well as our staff and other volunteers who supported on the day. This event raises valuable funds which are ploughed back into resources or experiences that will benefit the children.

Thank you to all of you who attended and made our Summer Fair a huge success. Raffle Winners have been contacted. Please call in at the school office to collect your prizes!!

Reading Challenge

We had a visitor from Wirral Libraries who spoke to the children in assembly about this year's summer reading challenge "Animal Agents". Children are encouraged to visit the library regularly over the summer and receive a sticker each time they return a book, resulting in certificates and medals which will be presented to the children in school in September if they complete the challenge. I hope lots of you can get involved with this project.

Data

We are very proud of how hard our children have worked this year. Progress and achievement are strong across the school. Please see an unvalidated data summary below. Further analysis of results will be available on the school website in September.

EYFS	Good Level of Development				
	70%				
Y1 Phonics	69%				
KS1	Reading	Writing	Maths	Combined	
	84%	67%	86%	67%	
KS2	Reading	Writing	Grammar, Punctuation & Spelling	Maths	Combined
	91%	87%	96%	96%	84%

Parking

I would really like to thank all parents who park courteously when dropping off and collecting children, however we are still having issues with parking. The manager of New Brighton Nursery has complained saying that parents are using their car park which is for parents of nursery children only. I appreciate how limited we are on the roads outside school when it comes to parking, but parents from nursery are having to park off site and walk in with young babies and toddlers in tow. Please allow more time for dropping off and collecting and park further away from school and walk in.

Reports

You will be receiving your child's report this Friday which will contain details of their attitudes and achievements this year. Children in F2, Y1, Y2 and Y6 will also be informed of the outcome of statutory assessments. Attendance figures are also reported, with expected good attendance being 96% or above. If you have any questions about the reports, please contact your child's class teacher in the first instance.

Staffing

I would like to welcome Mrs Wright to our teaching team from September who will be joining our Y5/6 team. We will be splitting into straight year groups for Maths and English in the mornings and will continue to vertically group in the afternoons. All groups will be mixed ability. School Uniform

Please ensure when buying new uniform for next year that all items of clothing are clearly labelled with your child's name. We have so much lost property that hasn't been reunited with its owners. Also, please ensure that children have correct PE kit and black school shoes. Trainers are not allowed. Also, if children have long hair, please ensure it is tied up and that no jewellery (including earrings) is worn to school.

Breakfast Club Vacancy

We have a vacancy in our breakfast club from September. Hours are 7.30 – 9.00am Mon-Fri. If you are interested, please email businessmanager@mount.wirral.sch.uk for more details.

Safeguarding and Support for Families

Are you worried about a child's safety? It could be somebody in your family, your street or your local community. Please phone Wirral's Care and Duty Social Care Team on 0151 606 2008.

If you are a family and need support please speak to Mrs Yates or Mrs Allen in confidence.

Thanks for your continued support! Have a great summer!
