Mrs Elaine Barry B.ED Hons (Oxon)

17th March 2020

Dear Parent/Carer,

Coronavirus Update

Further to my communication letter yesterday, the Government has issued further guidance to control the spread of the coronavirus. With this in mind, the 'Operation of school facilities' part of my letter yesterday will now change to the following:

Operation of School facilities

Oak Green is following government and Public Health England guidelines regarding the coronavirus and is raising awareness of symptoms and preventative measures amongst its colleagues and children. The School will remain open and will operate as normal until guidance from Public Health England or the government advises otherwise.

If your child or anyone in the family home is displaying a temperature of above 37.8 degrees and/or a new persistent cough **then you and your family** should self-isolate (not leave the family home) for 14 days and you should contact the school to make them aware.

At this present time, **if your family** does not display any symptoms then they should be in school. If this advice changes, we will update you.

We will continue to keep you up-to-date with any further changes.

Yours sincerely,

Elaine Barry
