

December End 2020

Dear Parents,  
Season's Greetings!

['Season's Greetings video-card'](#)

(Please follow this link.)

It has been a huge pleasure to have been at Oak Green School this term! The term has been like no other and we have all had to adapt to many changes and requirements that the pandemic has brought, often at very short notice.

The staff have been so impressed throughout, with the way that our children have adapted and managed, cheerfully and with energy, as always. Well done.

Thank you also to all parents and carers who have made arrangements, and have been so flexible and patient, as we have met requirements for Covid-security in school and safe supervision - as we returned to school, came in and out of lockdown and lived with the reality and restrictions of Tier 2.

I am sure that you are ready for a rest with your families and we hope that you are able to enjoy time with loved ones, safely. **Happy Christmas to those who are celebrating.** Safe travels to those meeting family at a distance and all the best for those remaining at home. May your holiday be peaceful!

Thank you to everyone in our school community – children, families, staff, governors and all those that work with us, who make Oak Green School the special place it is. **2021 will bring better things for all of us!**

A huge "THANK YOU" to all of the staff, children, parents and carers for everything that you've done this year. You're simply amazing!

I hope that you all enjoy a well-deserved break to recharge your batteries.

I would also like to thank the members of the Governing Board for their hard work behind the scenes over the last 12 months.

Wishing everyone a safe and peaceful Christmas holiday.

Ms A Khokher  
(Chair of Governing Board)
