

Year 2 Home Learning
Monday 14th September 2020

Hello Year 2

Here is your home learning for today. Please complete all of today's activities. This is the work we would have been doing today if we were at school.

Handwriting

Please practice letter formation - a guide can be found at the back of your child's fish book

English

We are learning the story of Little Red Riding Hood. Please read through the model text attached and come up with some actions to go with the story to help you remember it.

Activity - Once you have done this, have a go at writing the story down using the actions you have learnt to help you. Remember capital letters, finger spaces and full stops.

Phonics

Today's sound is 'ay'. Please watch the video by following the link to learn all about this sound.

<https://www.youtube.com/watch?v=7sAG0vIJWjc>

Maths

Today we are looking at counting to 100. Start off by watching this video and joining in to remember to do the actions AND the counting. Here is the

link <https://www.youtube.com/watch?v=0TgLf3PMOc>

ACTIVITY - Look at the number square and fill in the missing numbers. If you don't have a printer then you can draw one out onto paper. The second part of the activity is to have a go at working out what the missing numbers are on the number line.

Guided Reading

Please read your RWI book bag book to a grown up and then answer questions and talk about what you have read. Remember to use your phonics to help read the words, it helps to look for the special friends first.

Get a grown up to record in your fish book that you have read today.

Topic

We are learning all about Grace Darling. She is a very important person in our past. Watch the video clip explaining first hand Grace Darling life.

<http://www.bbc.co.uk/learningzone/clips/true-stories-grace-darling/13413.html>

Look at the PowerPoint of the story of Grace Darling (this includes pictures / photographs / accounts of what happened). Talk about the story and what happened and how do you think she felt. Think about and look at a picture of where she lived – what things surrounded her including cliffs / sea / lighthouse / village / farm / houses / shop

ACTIVITY - Look at the pictures and put them into the correct order (you can draw them if you don't have a printer) and write next to each one what happened in that key part of the story.
